1923

MAY 1, 1923.

ENUMERATION FOR SCHOOL PURPOSES.

Township,
Town or City,

County, Indiana.

By William G. Gathier Trustee.

(ALL ENUMERATORS MUST BE PAID BY THE DAY.)

READ CAREFULLY THE NOTES AND REMARKS BELOW BEFORE TAKING THE ENUMERATION.

NOTES.

NOTE 1. This report must be made to the County Superintendent before the first day of May, 1923, and a duplicate copy should be filed by each School Trustee.

NOTE 2. The law requires the enumeration to be taken between the 1st day of April and the 30th day of same month each year.

NOTE 3. After recording the names and enumeration of white persons, begin the list of colored persons on a separate page, writing at the head of the column, "Colored Persons."

NOTE 4. WHO INCLUDED IN THE ENUMERATION.

(a) In making the enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating in separate lists, and shall list the names of parents, guardians, heads of families, or persons having charge of such child or children, male and female, shall list the full name and give the exact age and the sex of each child so enumerated, and shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, who shall certify to the correctness of the same under oath.

(b) He shall include in such list all unmarried persons between the ages of six and twenty-one years, whose parents, guardians, heads of families or persons having charge of such child or children are actual residents of the corporation.

(c) He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves, and not under charge of parents, guardians or heads of families, and shall so designate such persons in a separate list, giving in cities the street and number of the residence of such persons.

(d) He shall enumerate no one who is not reported to him personally and properly certified to as herein provided, except in the case of minors who are dependent upon no one and not members of any family who may be reported as herein provided. Provided, that if any parent, guardian, head of family, or person having charge of any child, absent, the enumerator shall ascertain the facts required from reliable sources and sign his own name to certificate herein required; if any parent, guardian, head of family, or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars.

(e) In case of omission by the enumerator of any member of a family, said omission when discovered should be added, by interlining, and with proper data, with the other members of the family. In all such cases of omission, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required.

(f) Minors should be listed only at actual places of residence.

(g) Factory lists and lists of employes in business houses should be used as a guide only in locating persons entitled to be enumerated, but under no circumstances shall persons in such lists be enumerated without personal visits to their places of residence within the city and securing proper signatures as provided by law. In case of minors dependent upon themselves and not under the charge of parents, guardians or heads of families, such minors shall determine the question of residence.

(h) Lists of employes in factories or in business houses in cities and towns should be referred to the enumerators assigned to the parts of city or town in which such employes actually reside, where they should be enumerated. In no case should such employes be enumerated at a factory or a place of business.

(i) Persons residing in a township, town or city temporarily for purpose of attending school or college, whose actual residence is elsewhere should not be enumerated.

(j) The enumerators in cities and towns should confine themselves to the territory assigned to them, listing all houses and following each street to its end in such territory and recording other data with reference to the houses, as to whether vacant, no children, family absent, etc.

(k) Enumerators should satisfy themselves that all children enumerated belong to families permanently residing in the township, town or city, or otherwise entitled by law to be enumerated.

NOTE 5. Be sure to make an accurate report of the columns entitled "No. of Congressional Township," and "Range of Congressional Township."

NOTE 6. A complete recapitulation must be made on last page. Don't forget to make a complete recapitulation of number of children residing in "Congressional Township," last page.

NOTE 7. In filling the column "Occupation" the enumerator should ascertain definitely what the child is doing and report the facts. If the child attends school indicate the kind of school, thus—Attends elementary public school, Attends public high school, Attends parochial school, Attends private school, Attends college, etc. If the child is regularly employed state the kind of employment, i. e., messenger boy, clerk in grocery, stenographer, farm laborer, carpenter, etc.—If the child is unemployed simply state the fact.

(a) Do not enumerate married people.

(b) Do not enumerate persons who are only temporary residents of your corporation.

(c) Do not enumerate children attending school in your corporation whose parents or guardian resides elsewhere.

(d) Do not enumerate persons born prior to April 10, 1902.

(e) Do not enumerate persons born since April 10, 1917.

(f) Do not enumerate persons at factories or business houses. Such persons should be listed at their homes.

(g) Do not enumerate persons who are not reported to you personally.

(h) Do not enumerate persons outside of the district or school corporation assigned to you.

(i) Do not enumerate persons whom you are not certain belong to your school corporation.

The attention of school officers is called to the following provision of the law, which must be followed in every detail:

"On the first day of school the Trustees, Boards of Trustees, or Commissioners of school corporations, shall furnish Attendance Officer with the names of the children of compulsory age who are enumerated on the regular enumeration lists, names arranged alphabetically and shall give all the information contained in the regular enumeration report. MAY 1, 1923.

NUMERATION FOR SCHOOL PURPOSES.

Carpenter { Township, Jasper County, Indiana.
Town or City, }
By Charles Meadell Trustee.

(ALL ENUMERATORS MUST BE PAID BY THE DAY.)

READ CAREFULLY THE NOTES AND REMARKS BELOW BEFORE TAKING THE ENUMERATION.

NOTES.

NOTE 1. This report must be made to the County Superintendent before the first day of May, 1923, and a duplicate copy should be made by each School Trustee.

NOTE 2. The law requires the enumeration to be taken between the 1st of April and the 30th day of same month each year.

NOTE 3. After recording the names and enumeration of white persons, begin the list of colored persons on a separate page, writing at the head of the column, "Colored Persons."

NOTE 4. WHO INCLUDED IN THE ENUMERATION.

In making the enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating them on separate lists, and shall list the names of parents, guardians, or families, or persons having charge of such child or children, and female, shall list the full name and give the exact age and sex of each child so enumerated, and shall secure the signature of either guardian, head of family, or person having charge of such child or children, who shall certify to the correctness of the same under oath.

He shall include in such list all unmarried persons between the ages of six and twenty-one years, whose parents, guardians, heads of families, or persons having charge of such child or children are actual residents of the corporation.

He shall include in his list such unmarried persons between sixteen and twenty-one years of age as are dependent upon themselves, and not upon parents, guardians or heads of families, and shall so list such persons in a separate list, giving in cities the street and number of residence of such persons.

He shall enumerate no one who is not reported to him personally or properly certified to as herein provided, except in the case of persons who are dependent upon no one and not members of any family or household as herein provided. PROVIDED, that if any guardian, head of family, or person having charge of any child, or person, absent, the enumerator shall ascertain the facts required from reliable sources and sign his own name to certificate herein required; and if any parent, guardian, head of family, or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars.

In case of omission by the enumerator of any member of a family, or person, when discovered should be added, by interlining, and upon data, with the other members of the family. In all such cases, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required. Minors should be listed only at actual places of residence.

Factory lists and lists of employees in business houses should be made as a guide only in locating persons entitled to be enumerated, but no circumstances shall persons in such lists be enumerated without actual visits to their places of residence within the city and securing signatures as provided by law. In case of minors dependent upon parents and not under the charge of parents, guardians or heads of families, such minors shall determine the question of residence.

(h) Lists of employees in factories or in business houses in cities and towns should be referred to the enumerators assigned to the parts of the city or town in which such employees actually reside, where they should be enumerated. In no case should such employees be enumerated in a factory or a place of business.

(i) Persons residing in a township, town or city temporarily for the purpose of attending school or college, whose actual residence is elsewhere should not be enumerated.

(j) The enumerators in cities and towns should confine themselves to the territory assigned to them, listing all houses and following each street to its end in such territory and recording other data with reference to the houses, as to whether vacant, no children, family absent, etc.

(k) Enumerators should satisfy themselves that all children enumerated belong to families permanently residing in the township, town or city, or otherwise entitled by law to be enumerated.

NOTE 5. Be sure to make an accurate report of the columns entitled "No. of Congressional Township," and "Range of Congressional Township."

NOTE 6. A complete recapitulation must be made on last page. Don't forget to make a complete recapitulation of number of children residing in "Congressional Township," last page.

NOTE 7. In filling the column "Occupation" the enumerator should ascertain definitely what the child is doing and report the facts. If the child attends school indicate the kind of school, thus—Attends elementary public school, Attends public high school, Attends parochial school, Attends private school, Attends college, etc. If the child is regularly employed state the kind of employment, i. e., messenger boy, clerk in grocery, stenographer, farm laborer, carpenter, etc. If the child is unemployed simply state the fact.

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted General Assembly of 1901, provides that all children shall be ed in the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which ly reside. The transfer has absolutely nothing to do with meration.

Statutes governing transfers for school children:

- 1) For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
- 2) For transfers to Senior High Schools, see Acts of 1919, p. 140.
- 3) For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
- 4) For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

The person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trus- ear the case, and then make a record of his action in the case ead book.

A transfer to be legal must be a matter of record. The School should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O.....Date.....1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] h.....

Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

Trustee.

President Board of Trustees.

SCHOOL ENUMERATION LAW.

118. TRUSTEE TO TAKE—HIS DUTIES—WHO TED.

1 Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all persons between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Each person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a part of the record and kept on file in the office of the School Trustee.

In taking the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separately the white and colored lists, and shall list the names of parents, guardians, trustees, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and shall give the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall add to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate each person in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make an affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

Said children reside in Congressional Township, as follows:

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred from the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with the school corporation.

Provisions governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

A person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee of the case, and then make a record of his action in the case and book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date..... 1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of..... 1....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address..... Date..... 1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] h.....

Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

SCHOOL ENUMERATION LAW.

118. TRUSTEE TO TAKE—HIS DUTIES—WHO

ED.
Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all persons between the ages of six and twenty-one years resident in the several townships, towns or cities.

Persons required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of their knowledge and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.

The said enumeration, the Trustee or person so employed shall make a list of the names of the white and colored children, enumerating by families, and shall list the names of parents, guardians, trustees, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child enumerated, shall secure the signature of either parent, guardian, or family, or person having charge of such child or children, and if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child or children to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and shall give the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall give the street and number of the residence of such person. He shall not include in such list any person who is temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the control of parents, guardians or heads of families, and shall so designate in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred to the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with the residence of the child.

Rules governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

A person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to make a record of his action in the case and to keep a book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P.O.....Date.....1923.

Comes now [name] of.....School Corporation.....County, Indiana, and asks that [name], born the.....day of....., be transferred to.....[Township, Town or City].....County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

These lists shall be alphabetically arranged and shall give all the information contained in the regular enumeration returns. SCHOOL ENUMERATION LAW.

18. TRUSTEE TO TAKE—HIS DUTIES—WHO REQUIRED.

Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all persons between the ages of six and twenty-one years resident in the several townships, towns or cities.

Persons required or employed to take such enumeration shall be sworn to affirm or affirmation to take the same accurately and truly to the best of their knowledge and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.

In taking the said enumeration, the Trustee or person so employed shall visit each dwelling in the township, town or city, and shall list the names of parents, guardians, heads of families, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, and if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall list in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person who is temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be enumerated in the school corporation where they legally reside. Children, who are transferred from one school corporation to another, shall be so transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

Acts governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 748.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

Any person asking for transfer must be able to show better accommodations.

Any person desiring to be transferred must apply for such transfer to the board of the school corporation of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee of the school corporation to make a record of his action in the case in the record book.

Transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date.....1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of..... 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address..... Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed..... Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

MAY 1, 1923.

ENUMERATION FOR SCHOOL PURPOSES.

Marion Township, Jasper County, Indiana.

By E. L. Fidler Trustee.

(ALL ENUMERATORS MUST BE PAID BY THE DAY.)

READ CAREFULLY THE NOTES AND REMARKS BELOW BEFORE TAKING THE ENUMERATION.

NOTES.

This report must be made to the County Superintendent the first day of May, 1923, and a duplicate copy should be each School Trustee.

The law requires the enumeration to be taken between the April and the 30th day of same month each year.

After recording the names and enumeration of white in the list of colored persons on a separate page, writing at the column, "Colored Persons."

WHO INCLUDED IN THE ENUMERATION.

In making the enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, families, or persons having charge of such child or children, male, shall list the full name and give the exact age and the child so enumerated, and shall secure the signature of either the father, head of family, or person having charge of such child, who shall certify to the correctness of the same under oath. The list shall include in such list all unmarried persons between the age of ten and twenty-one years, whose parents, guardians, heads of families, or persons having charge of such child or children are actual residents of the corporation.

The list shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves, and not upon the parents, guardians or heads of families, and shall list such persons in a separate list, giving in cities the street and number, and in residences of such persons.

The list shall enumerate no one who is not reported to him personally, or properly certified to as herein provided, except in the case of children who are dependent upon no one and not members of any family, or persons who are reported as herein provided. Provided, that if any parent, guardian, head of family, or person having charge of such child, the enumerator shall ascertain the facts required from the sources and sign his own name to certificate herein required; if any parent, guardian, head of family, or person having charge of such child is entitled to school privileges shall refuse to report to the enumerator, or any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars.

In case of omission by the enumerator of any member of a family, when discovered should be added, by interlining, and giving the date, with the other members of the family. In all such cases, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required. The list should be listed only at actual places of residence.

Business lists and lists of employees in business houses should be made only in locating persons entitled to be enumerated, but in no case shall persons in such lists be enumerated without visits to their places of residence within the city and securing signatures as provided by law. In case of minors dependent upon parents, and not under the charge of parents, guardians or heads of families, such minors shall determine the question of residence.

(h) Lists of employees in factories or in business houses in cities and towns should be referred to the enumerators assigned to the parts of the city or town in which such employees actually reside, where they should be enumerated. In no case should such employees be enumerated in a factory or a place of business.

(i) Persons residing in a township, town or city temporarily for the purpose of attending school or college, whose actual residence is elsewhere should not be enumerated.

(j) The enumerators in cities and towns should confine themselves to the territory assigned to them, listing all houses and following each street to its end in such territory and recording other data with reference to the houses, as to whether vacant, no children, family absent, etc.

(k) Enumerators should satisfy themselves that all children enumerated belong to families permanently residing in the township, town or city, or otherwise entitled by law to be enumerated.

NOTE 5. Be sure to make an accurate report of the columns entitled "No. of Congressional Township," and "Range of Congressional Township."

NOTE 6. A complete recapitulation must be made on last page. Don't forget to make a complete recapitulation of number of children residing in "Congressional Township," last page.

NOTE 7. In filling the column "Occupation" the enumerator should ascertain definitely what the child is doing and report the facts. If the child attends school indicate the kind of school, thus—Attends elementary public school, Attends public high school, Attends parochial school, Attends private school, Attends college, etc. If the child is regularly employed state the kind of employment, i. e., messenger boy, clerk in grocery, stenographer, farm laborer, carpenter, etc. If the child is unemployed simply state the fact.

- (a) Do not enumerate married people.
- (b) Do not enumerate persons who are only temporary residents of your corporation.
- (c) Do not enumerate children attending school in your corporation whose parents or guardian resides elsewhere.
- (d) Do not enumerate persons born prior to April 10, 1902.
- (e) Do not enumerate persons born since April 10, 1917.

- (g) Do not enumerate persons who are not reported to you personally.
- (h) Do not enumerate persons outside of the district or school corporation assigned to you.
- (i) Do not enumerate persons whom you are not certain belong to your school corporation.

The attention of school officers is called to the following provision of the law, which must be followed in every detail:

On the first day of school the Trustees, Boards of Trustees, or Commissioners of school corporations, shall furnish the necessary blank forms for the enumeration of the children of compulsory age who are enumerated on the regular enumeration lists. These forms shall be alphabetically arranged and shall give all the information contained in the regular enumeration returns. The county Commissioners shall provide necessary postage and such blanks as may be required by the State Board of Education or the State Superintendent of Public Instruction."

Any person required or employed to take such enumeration shall take an affirmation to take the same accurately and truly to the best of his ability. Such oath or affirmation shall be made a part of the record and kept on file in the office of the School Trustee.

In taking the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, relatives, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child or children, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and shall give the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall add in addition to the above enumerated items, the street and number of each such person. He shall not include in such list any person residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate them in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred in the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

Statutes governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
For transfers to Senior High Schools, see Acts of 1919, p. 140.
For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

The person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to make the case, and then make a record of his action in the case on the record book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date.....1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of..... 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address..... Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed..... Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

President Board of Trustees.

SCHOOL ENUMERATION LAW.

118. TRUSTEE TO TAKE—HIS DUTIES—WHO TAKES.

Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all unions between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.

For the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, uncles, aunts, or person having charge of such child or children, and shall list the full name, and give the sex and age of each enumerated, shall secure the signature of either parent, head of family, or person having charge of such child or child, certifying to the correctness of the same, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall list in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person living temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the facts required from other reliable sources, and sign his own name to the facts so ascertained herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred to the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with the school corporation.

Rules governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 748.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1918, p. 37, Sec. 10.

Person asking for transfer must be able to show better accommodations.

Person desiring to be transferred must apply for such transfer to the school corporation of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee of the school corporation to make a record of his action in the case of such transfer.

Transfer to be legal must be a matter of record. The School Trustee must make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date 1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of..... 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address..... Date..... 1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed..... Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

The person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.
At the time of said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, uncles, aunts, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child or children, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child or children, is attached for school purposes, and shall give the number and initials which designate the congressional township in which parent, guardian, head of family or person having charge of such child or children resides. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be enumerated in the school corporation where they legally reside. Children, who are transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

Acts governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

Person asking for transfer must be able to show better accommodations.

Person desiring to be transferred must apply for such transfer to the board of his own corporation.

If a transfer has been applied for, it is the duty of the Trustee to make a record of his action in the case.

Transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P.O.....Date.....1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of....., 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

President Board of Trustees

SCHOOL ENUMERATION LAW.

118. TRUSTEE TO TAKE—HIS DUTIES—WHO

Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all unions between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Persons required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of their skill and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.

In taking the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, uncles, aunts, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and shall give the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall make a list of the above enumerated items, the street and number of residence of such person. He shall not include in such list any child attending temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate them in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

Said children reside in Congressional Township, as follows:

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred in the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

Statutes governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

The person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee of the case, and then make a record of his action in the case on the record book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O.....Date.....1923.

Comes now [name] of.....School Corporation.....County, Indiana, and asks that [name], born the.....day of....., be transferred to.....[Township, Town or City].....County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

State Supt. of Public Instruction.

WHO INCLUDED IN THE ENUMERATION.

In making the enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, families, or persons having charge of such child or children, female, shall list the full name and give the exact age and the child so enumerated, and shall secure the signature of either guardian, head of family, or person having charge of such child, who shall certify to the correctness of the same under oath. PROVIDED, that if any person, guardian, head of family, or person having charge of any child, sent, the enumerator shall ascertain the facts required from the sources and sign his own name to certificate herein required; if any parent, guardian, head of family, or person having charge of any child, entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars.

In case of omission by the enumerator of any member of a family, when discovered should be added, by interlining, and the list shall be signed by the enumerator. In all such cases, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required. The list should be listed only at actual places of residence.

Business lists and lists of employees in business houses should be made up only in locating persons entitled to be enumerated, but circumstances shall require persons in such lists be enumerated without limits to their places of residence within the city and securing signatures as provided by law. In case of minors dependent upon parents, and not under the charge of parents, guardians or heads of families, such minors shall determine the question of residence.

The attention of school officers is called to the following provision of the law, which must be followed in every detail:

"On the first day of school the Trustees, Boards of Trustees, or Commissioners of school corporations, shall furnish the County Officer with the names of the children of compulsory age who are enumerated on the regular enumeration lists. These lists shall be alphabetically arranged and shall give all the information contained in the regular enumeration returns. The County Commissioners shall provide necessary postage and such blanks as may be required by the State Board of Education or the State Superintendent of Public Instruction."

SCHOOL ENUMERATION LAW.

118. TRUSTEE TO TAKE—HIS DUTIES—WHO FED.

Trustees of the several townships, towns and cities, shall be taken, between the tenth day of April and the first of the same month, each year, an enumeration of all persons between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Each person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a part of the record and kept on file in the office of the School Trustee.

In the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, trustees, or person having charge of such child or children, and shall list the full name, and give the sex and age of each enumerated, shall secure the signature of either parent, guardian, or person having charge of such child or children, attesting to the correctness of the same, or if this is impossible, the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and number and initials which designate the congressional township in which parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall list in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be in the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with residence.

Provisions governing transfers for school children:
For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
For transfers to Senior High Schools, see Acts of 1919, p. 140.
For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
For transfers to Approved Vocational Schools, see Acts of 1919, p. 37, Sec. 10.

Any person asking for transfer must be able to show better accommodations.

Any person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to make a record of his action in the case of each transfer.

Transfer to be legal must be a matter of record. The School Trustee must make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O.....Date.....1923.

Comes now [name] of.....School Corporation.....County, Indiana, and asks that [name], born the.....day of.....19....., be transferred to.....[Township, Town or City].....County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] him.....
Signed.....Trustee.....Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

SCHOOL ENUMERATION LAW.

ARTICLE 118. TRUSTEE TO TAKE—HIS DUTIES—WHO TO TAKE.

School Trustees of the several townships, towns and cities, shall use to be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all un-der-18 years of age, between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a record and kept on file in the office of the School Trustee.

When taking the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating them on separate lists, and shall list the names of parents, guardians, or persons having charge of such child or children, male or female, shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the child or children to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall add in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any child temporarily residing in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate them in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

Said children reside in Congressional Township, as follows:

TRANSFERS.

Law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred to the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

Statutes governing transfers for school children:

For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.

For transfers to Senior High Schools, see Acts of 1919, p. 140.

For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.

For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

The person asking for transfer must be able to show better accommodations.

Person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to make a record of his action in the case, and then make a record of his action in the case in his record book.

Transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date.....1923.

Comes now [name] of.....School Corporation.....County, Indiana, and asks that [name], born the.....day of.....19....., be transferred to.....[Township, Town or City].....County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can (or can not) be better accommodated by the change desired, and I therefore transfer (or do not transfer) him.....

Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

SCHOOL ENUMERATION LAW.

SECTION 118. TRUSTEE TO TAKE—HIS DUTIES—WHO

Enumerated. School Trustees of the several townships, towns and cities, shall cause to be taken, between the tenth day of April and the tenth day of the same month, each year, an enumeration of all undischarged persons between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Each person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a part of the record and kept on file in the office of the School Trustee. In making the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating them on separate lists, and shall list the names of parents, guardians, heads of families, or person having charge of such child or children, male or female, shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the district to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the charge of parents, guardians or heads of families, and shall so designate them on a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

A law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be transferred in the school corporation where they legally reside. Children, transferred or not, must be enumerated in the corporation in which they reside. The transfer has absolutely nothing to do with enumeration.

- Statutes governing transfers for school children:
- For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
 - For transfers to Senior High Schools, see Acts of 1919, p. 140.
 - For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
 - For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

A person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to make a record of his action in the case record book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date.....1923.
Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of....., 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian
Address..... Date.....1923.
It is my opinion that [name] can [or can not] be better accommodated in the change desired, and I therefore transfer [or do not transfer] him.....
Signed..... Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

MAY 1, 1923.

ENUMERATION FOR SCHOOL PURPOSES.

Township,
Town or City,

County, Indiana.

(ALL ENUMERATORS MUST BE PAID BY THE DAY.)

He shall enumerate no one who is not reported to him personally or by certified mail as herein provided, except in the case of persons dependent upon no one and not members of any family as herein provided. PROVIDED, that if any person, guardian, head of family, or person having charge of any child, is absent, the enumerator shall ascertain the facts required from reliable sources and sign his own name to certificate herein required; and any parent, guardian, head of family, or person having charge of child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars.

In case of omission by the enumerator of any member of a family, or person when discovered should be added, by interlining, and giving data, with the other members of the family. In all such cases, the signatures of parents, guardians, heads of families, or persons having charge of such child or children, should be required. Minors should be listed only at actual places of residence.

Factory lists and lists of employees in business houses should be secured only in locating persons entitled to be enumerated, but in no case shall persons in such lists be enumerated without visits to their places of residence within the city and securing signatures as provided by law. In case of minors dependent upon parents and not under the charge of parents, guardians or heads of families, the enumerator shall determine the question of residence.

(h) Lists of employees in factories or in business houses in cities and towns should be referred to the enumerators assigned to the parts of the city or town in which such employees actually reside, where they should be enumerated. In no case should such employees be enumerated in a factory or a place of business.

(i) Persons residing in a township, town or city temporarily for the purpose of attending school or college, whose actual residence is elsewhere should not be enumerated.

(j) The enumerators in cities and towns should confine themselves to the territory assigned to them, listing all houses and following each street to its end in such territory and recording other data with reference to the houses, as to whether vacant, no children, family absent, etc.

(k) Enumerators should satisfy themselves that all children enumerated belong to families permanently residing in the township, town or city, or otherwise entitled by law to be enumerated.

NOTE 5. Be sure to make an accurate report of the columns entitled "No. of Congressional Township," and "Range of Congressional Township."

NOTE 6. A complete recapitulation must be made on last page. Don't forget to make a complete recapitulation of number of children residing in "Congressional Township," last page.

NOTE 7. In filling the column "Occupation" the enumerator should ascertain definitely what the child is doing and report the facts. If the child attends school indicate the kind of school, thus—Attends elementary public school, Attends public high school, Attends parochial school, Attends private school, Attends college, etc. If the child is regularly employed state the kind of employment, i. e., messenger boy, clerk in grocery, stenographer, farm laborer, carpenter, etc. If the child is unemployed simply state the fact.

SCHOOL ENUMERATION LAW.

SECTION 118. TRUSTEE TO TAKE—HIS DUTIES—WHO ENUMERATED.

The School Trustees of the several townships, towns and cities, shall on or cause to be taken, between the tenth day of April and the twentieth day of the same month, each year, an enumeration of all unmarried persons between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Person required or employed to take such enumeration shall make an affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a part of record and kept on file in the office of the School Trustees.

In making the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating them in separate lists, and shall list the names of parents, guardians, heads of families, or person having charge of such child or children, male or female, shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the school district to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall, in addition to the above enumerated items, the street and number of the residence of such person. He shall not include in such list any persons residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the charge of parents, guardians or heads of families, and shall so designate such persons in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be enumerated in the school corporation where they legally reside. Children, whether transferred or not, shall be enumerated in the corporation in which they legally reside. The Board has absolutely nothing to do with enumeration.

- Acts governing transfers for school children:
- (1) For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
 - (2) For transfers to Senior High Schools, see Acts of 1919, p. 140.
 - (3) For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
 - (4) For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

- (c) The person asking for transfer must be able to show better school accommodations.
- (d) A person desiring to be transferred must apply for such transfer to the Trustee of his own corporation.
- (e) When a transfer has been applied for, it is the duty of the Trustee to hear the case, and then make a record of his action in the case in his record book.
- (f) A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City]
P. O. Date.....1923.

Comes now [name] of.....School Corporation.....County, Indiana, and asks that [name], born the.....day of....., be transferred to.....[Township, Town or City].....County, Indiana, for the following reasons: (Here insert reasons)

Signed: [name], parent, guardian or custodian
Address.....Date.....1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] h.....
Signed.....Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.

President Board of Trustees

SCHOOL ENUMERATION LAW.

SECTION 118. TRUSTEE TO TAKE—HIS DUTIES—WHO ENUMERATED.

School Trustees of the several townships, towns and cities, shall cause to be taken, between the tenth day of April and the first day of the same month, each year, an enumeration of all un- persons between the ages of six and twenty-one years resident in the respective townships, towns or cities.

Each person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a part of record and kept on file in the office of the School Trustee.

In making the said enumeration, the Trustee or person so employed shall distinguish between the white and colored children, enumerating separate lists, and shall list the names of parents, guardians, or families, or person having charge of such child or children, and shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or child, certifying to the correctness of the same, or if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the district to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall add in addition to the above enumerated items, the street and number of residence of such person. He shall not include in such list any person residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under the care of parents, guardians or heads of families, and shall so designate such persons in a separate list, giving in cities the street and number of

the residence of such persons. He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for; Provided, That if any parent, guardian, head of family, or person having charge of any child shall be absent, the enumerator shall ascertain the fact required from other reliable sources, and sign his own name to the certificate herein required; and in case any parent, guardian, head of family or person having charge of any child entitled to school privileges shall refuse to report to the enumerator any facts herein required, necessary to a full and accurate enumeration, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than one nor more than ten dollars. Each person required or employed to take the enumeration as provided for in this act, shall, when making returns of said enumeration, to the proper officers, make affidavit or affirmation that he has taken and returned the enumeration in accordance with the provisions of this act, to the best of his knowledge and belief, and that such list contains the names of all persons entitled to be enumerated, and no others. The officer to whom such return is required to be made may take and shall certify such affidavit or affirmation and shall keep in his office such affidavit or affirmation and such report and list of names; and each person so taking and returning the enumeration shall be allowed by the Township School Trustee, or the School Trustees of incorporated towns and cities, reasonable compensation per diem, for his services, to be paid out of the special school fund of such township, town or city. Any person appointed as enumerator, or any officer through whose hands the enumeration required by this act shall pass, who shall knowingly enumerate persons not entitled to be enumerated, or who shall in any manner add to or take from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one hundred dollars, or imprisonment in the county jail not less than ten nor more than thirty days, at the discretion of the court.

TRANSFERS.

The law for the transfer of pupils for school purposes, enacted by the General Assembly of 1901, provides that all children shall be enumerated in the school corporation where they legally reside. Children, who are transferred or not, must be enumerated in the corporation in which they legally reside. The transfer has absolutely nothing to do with enumeration.

Statutes governing transfers for school children:

- (1) For transfers in general, see acts of 1919, p. 66, sec. 2 and Acts of 1921, pp. 180 and 743.
- (2) For transfers to Senior High Schools, see Acts of 1919, p. 140.
- (3) For transfer to Junior High Schools, see Acts of 1919, p. 441, Sec. 4.
- (4) For transfers to Approved Vocational Schools, see Acts of 1913, p. 37, Sec. 10.

The person asking for transfer must be able to show better accommodations.

A person desiring to be transferred must apply for such transfer to the Trustee of his own corporation.

When a transfer has been applied for, it is the duty of the Trustee to hear the case, and then make a record of his action in the case record book.

A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in

his record book, whether his decision is favorable or adverse to the applicant. The following would be a proper form of record:

Office of [name] Trustee.....[Township, Town or City] P. O. Date.....1923.

Comes now [name] of..... School Corporation..... County, Indiana, and asks that [name], born the..... day of..... 19....., be transferred to..... [Township, Town or City]..... County, Indiana, for the following reasons: [Here insert reasons]

Signed: [name], parent, guardian or custodian Address..... Date..... 1923.

It is my opinion that [name] can [or can not] be better accommodated by the change desired, and I therefore transfer [or do not transfer] h..... Signed..... Trustee. Date.....

In case the transfer is granted, the Trustee granting it should make a certificate of his action, and transmit it to the Trustee of the school corporation to which the transfer is made, and also to the County Superintendent, so both may know who are legally entitled to school privileges within the school corporation.

(g) Any interested party may appeal from the decision of the Trustee to the County Superintendent, whose decision is final.

NOTE 8. Trustees and School Boards must furnish the attendance officers alphabetical lists of all children of compulsory school age, prior to the opening of school. These lists should be made at the time of taking the enumeration.
